

## Hardeeville Goal Setting Notes:

- Wholistic traffic impact approach
  - How can development pay for the study and improvements?
  - Possible funding/assistance Lowcountry Area Transportation Study (LATS)
- Focus on relationship with Jasper County
  - Elected officials
  - Staff level
  - New solutions
- Wetlands
- Continue to seek purchase of Round Street Property
- Vehicle policy
- Add planner
  - Focus to rewrite 2008 Municipal Zoning and Development Ordinance
- Public Safety
  - Ingress and egress concerns of development under construction
  - Appears to be isolated to one project and a solution is underway
- Focus on Veterans Park
  - Request for Proposal
- Bike & Path something
  - Desire to see a project underway
  - Timetable established for phased construction
- Assess/development Town's marketing/communication strategy to better engage citizens
- Have some form of a Town parade in 2022
- Assess Council Chambers security
- Town wide Facility Assessment
- Try to implement town-wide events on key days (Ex. Memorial Day, 911, Fourth of July)
- Addition of Road Department
- Make annual goals more visible – post in council chambers, website, etc

## Mayor Harry Williams comments:

- Think big, think smart
- Past successes are no guarantee of future results
- Kings are dethroned
- Focus on the impacts of growth – traffic, litter, quality of growth, need for independent study
- Cooperation – surrounding jurisdictions (Jasper County)

## General Notes

- Conversation with Jasper Co. regarding Advanced Life Support (ALS)
